

HOUSING NEEDS SURVEY - UPDATE

Many thanks to all of you who completed the Little Hallingbury Housing Needs Survey. The results of the survey are now being analysed by the Rural Community Council of Essex (RCCE). They are an independent charity that helps communities throughout rural Essex and have a great deal of experience in these surveys for local authorities.

All the responses are confidential and only aggregated results will be included in the final report to the Neighbourhood Plan Steering Group and Parish Council.

Once the survey is analysed, towards the end of May, there will be further updates and a chance for residents to provide input.

Thank you for your participation in this survey and helping to plan the future of our Village.
