

Our thanks to those of you who attended the Little Hallingbury Neighbourhood Plan Coffee Morning and Consultation Event on 12th/13th Oct and those who have completed the online survey.

The online survey closed on 30th Oct, the results will now be collated, and the feedback and comments reviewed.

The next steps will be to finalise the evidence needed and to draft the policies for the Plan. There will be another chance for residents to feedback on the policies once they are prepared.

You can follow progress on our website <https://littlehallingburyneighbourhoodplan.co.uk/> where we publish the Steering Group meeting minutes and other information for residents to see. You can also follow us on Facebook.
