

LHNP Coffee Morning and Consultation Event October 2024 - Feedback results

Thank you to those who attended the public consultation held in the Village Hall on Saturday and Sunday 12th and 13th October. This was attended by sixty people over the two days.

Residents who were unable to attend in person could complete the survey monkey version of the feedback form online. The event and online survey were advertised in the door drop leaflets, Village Views magazine and via Facebook and our LHNP dedicated website:

This consultation was an opportunity for Residents to comment on the draft Neighbourhood Plan vision and objectives and policy intentions at an early stage before the Plan is prepared.

We received fifty-three responses and a summary of these is given below:

Do the LHNP Vision and Objectives meet the needs of the Village?	96%	Yes
Do you support the LHNP Policy intentions?	92%	Yes
Do you support the proposed Landscape Character and Important views policy?	96%	Yes
Do you support the Design Codes or LHNP?	98%	Yes
Do you support the Protection of Local Green Spaces?	100%	Yes

Two people said NO in response to two questions. There were four unanswered questions and one resident who answered 'Don't know' to three questions.

It was great to chat with those who attended and share the information that was on display. The Steering Group really appreciated the kind comments received on the day and those in the feedback. There were several comments and queries raised, and we have answered all these on the Little Hallingbury Neighbourhood Plan website. You can see them by visiting the website *littlehallingburyneighbourhoodplan.co.uk* and clicking on the link to the October 2024 -Consultation 'Comments and Steering Group Responses'.

The Steering Group are continuing with the evidence gathering and developing the NP policies and proposals. There will be another opportunity to have your say when we undertake the Statutory Residents Consultation.
