LITTLE HALLINGBURY OUR NEIGHBOURHOOD PLAN

Your Village Your Future

Our Neighbourhood Plan - Your Village Your Future

Little Hallingbury Parish Council has decided to prepare a Neighbourhood Plan. This will enable us to address local issues and give attention to what residents would like to happen in our community both now and over the next 20 years.

Who can take part?

All those who live or work in the Village are being asked to take part. We are encouraging everyone in the Village to give us their views.

Why should I complete the questionnaire?

Neighbourhood Plans provide a great opportunity for you to have more influence over how the place in which you live or work will change over time. Your local knowledge, your sense of what needs to be protected and what needs to change, can really make a difference.

What is the purpose of this questionnaire?

We want to identify key issues and to understand the priorities.

- What's good
- What needs fixing
- What's missing in the Village?

***The best way to find out what's important is to ask.
It's your Village so have your say.***

Our Neighbourhood Plan - Your Village Your Future

What can a Neighbourhood Plan do?

A Neighbourhood Plan can be used to:

- Develop a shared vision for our Village.
- Choose what sort of housing should be built and where.
- Identify and protect important green spaces.
- Influence what new buildings should look like.
- Help protect the natural environment

Your views are vital to the success of the Neighbourhood Plan

When the Neighbourhood Plan is completed all Villagers will be invited to vote on whether to accept the Plan at a referendum organised by Uttlesford District Council. Once accepted the Plan will become a legal document and planning decisions must show reference to the policies in it.
